

# Pegasus Class

Terrific Toys  
Y1/2, Autumn 1  
2020/21

This is an overview of some of the subject matter that we will be learning about this term.

## English:

The Koala who could – Rachel Bright  
Lost in the toy museum: An adventure – David Lucas  
Toys in space - Mini Grey  
Naughty Bus – Jan and Jerry Oke  
We will use these books to provide opportunity for children to practise writing captions and sentences, using Capital letters, finger spaces and their phonics knowledge.

## Maths:

Sort, count and represent objects  
Read and write numbers to 10 (Y2 to 100)  
Simple additions and subtractions  
Order numbers  
Place value  
Practice terminology relating to Maths  
Ordinal numbers

## Science:

Recognise and identify different materials and their properties

## Computing:

Use digital cameras or tablets to create, manipulate and retrieve both full photographs and close ups of a focus 'old' toy  
Design net for a 3D vehicle

## Humanities

### (Geography/History):

**History:** sort old and new toys and look at differences and similarities, such as the material they are made out of  
Explore pictures and paintings of old toys  
Explore old books and their illustrations

## Art:
