Class Worship and Pupil Voice

Feedback from members is that the opening & closing words are being used, and this term's value RESPECT is a focus. Thank you.

Pupils shared that they have started to say a prayer at the end of the school day – pupils take turns to share a spontaneous Thank you/please or help prayer. They are VERY positive about this. Requests for more variety for the lunch time prayer – sadly we can't sing out loud, so that leaves 3 choices from those selected by last year's Worship Council.

Mrs Bloomer has sent some more class worship resources in this term to be used, and will send in some Advent resources too. Rev Mark has recorded some new videos, and Trevor Ranger.

ACTION: Mrs Winterburn to report back to Worship Council about how they can monitor and give feedback regularly on class worship. Mrs Winterburn to confirm arrangements over the pupil evaluation sheets.

Ideas from Worship Council members

- Fundraising for a charity – particularly Vivian
 - *Sport, maths, laps of the playground, cross country run*
- Another Ghana Day – raffles, dressing in Ghana colours
- Decorating the school for special occasions (School Council?)
- A school performance - paid tickets

We recognised that it is difficult as we can't have visitors, fairs or cake stalls at the moment – our challenge is to come up with creative ideas.

ACTION: Mrs Bloomer to discuss with the staff team

Ideas for our Bible Verse

'Let us help each other to love others and do good' Hebrews 10:24

Thank you to everyone who voted to choose a picture to capture our school Bible verse. The votes were as follows:

1 (1 vote)

2 (5 votes)

3 (2 votes)

4 (2 votes)

5 (2 votes)

6 (34 votes)

7 (0 votes)

Picture 6 was the outstanding winner. Pupils were asked not to discuss the outcome until Mrs Bloomer had spoken with Mrs Winterburn. Once finalised, we will then think about how we can create a picture like this of our own.

ACTION: Mrs Bloomer to let Mrs Winterburn know the results of the vote.
Can we feedback the results on the Worship Council noticeboard?

Class Worship in T3

Next term our school value will be 'Truthfulness' – we would like to create a class worship, using technology (if possible!), possibly recording outside. We'll need to identify someone with editing skills.

Pupils suggested that they could make a video of 'How to make a Christingle at home' in readiness for our annual Christingle celebration (2nd Feb)

ACTION: Members to come to the next meeting with ideas for TRUTHFULNESS worship.
Mrs Bloomer to discuss ideas with Mrs Winterburn.

Worship Council noticeboard

Next time we will also look at how we can use the noticeboard to keep everyone informed about what we are doing – **ideas please.**

Date of Next Meeting in Term 3: to be agreed
