

School Uniform

Wearing school uniform supports a sense of belonging. We expect all pupils to take pride in their appearance and take care of their clothes. The school colours are grey and gold/yellow. Ties are available as a privilege for Year 6 pupils, who may also wear white shirts and grey V-necked pullovers.

School uniform is available to purchase from the school office or online via the Schoolwear from Less link on the school website. Second-hand uniform is also available from the office, and sales take place two or three times a year. Parents experiencing difficulty in funding school

uniform are encouraged to approach the school to see what help is available.

Following discussions at School Council, and health and Safety guidelines, it has been decided that only watches and stud type earrings are allowed in school. All other jewellery should stay at home. Mrs Hutchins requests that watches are not worn in Hercules class.

It is VITAL that all clothes, bags and belongings are clearly named. Lost property is housed in the foyer. Please check regularly.

Girls

Grey jogging bottoms,
Daps/trainers

Clubs and Activities

Through the year there are a range of clubs and activities which take place during lunchtimes and before and after school. We are indebted to staff, parents, and members of the local community for running these in their own time. Regular clubs include:

- Before School Club
- After School Art Club
- After School Sports Club
- KS2 Choir
- Multi Sports Club – all age groups

- Key Stage 2 Football
- Science Club
- Cookery Club
- Gardening Club

The school netball team plays friendly matches with neighbouring schools and takes part in the local Small Schools Tournament every year.

Children may take instrumental music and/or singing lessons with a visiting music teacher. Further details are available from the office.

Communication

Regular newsletters are sent out via our *Call Parents* email communication system, with paper copies available if required. They are also put up on the school website.

During Term 1, parents are invited to a meeting with the class teacher who will talk about class procedures and expectations. The learning programme for the coming year will be outlined and your help may well be enlisted.

In the autumn, spring and summer terms, parents are invited in for a private

consultation with the class teacher to discuss their child's progress and ways to support them.

In the summer term you will receive a detailed school report about your child's progress in all areas of the curriculum and about their involvement in the life of the school. You are invited to our *Celebration Evening* where you can see learning displayed from throughout the year and also visit other classrooms.
