

School Uniform

Wearing school uniform supports a sense of belonging. We expect all pupils to take pride in their appearance and take care of their clothes. The school colours are grey and gold/yellow. Ties are available for Year 6 pupils, who may also wear white shirts and grey V-necked pullovers.

School uniform is available to purchase online via the School Trends link on the school website. Second-hand uniform is also available from the office, and sales take place termly. Parents experiencing difficulty in funding school uniform are

encouraged to approach the school to see what help is available.

Following discussions at School Council, and health and Safety guidelines, it has been decided that only watches and stud type earrings are allowed in school. All other jewellery should stay at home.

It is VITAL that all clothes, bags and belongings are clearly named. Lost property is housed in the foyer. Please check regularly.

Communication

Regular newsletters are sent out via our *ParentMail* email communication system, with paper copies available if required. Some communications are also put up on the school website.

During Term 1, parents are invited to a Meet and Greet session with the class teacher who will talk about class procedures and expectations. The learning programme for the coming year will be

outlined and your help may well be enlisted.

In the Autumn and Spring terms, parents are invited in for a private consultation with the class teacher to discuss their child's progress and ways to support them.

In the Summer term you will receive a detailed school report about your child's progress in all areas of the curriculum and about their involvement in the life of the school.
