

# Pegasus Class Newsletter

We have had another action packed term!

Our topic this term was Rumble in the Jungle. We have been identifying different jungle locations around the world and have learnt about mangroves. Mrs Nathanson shared her experiences of the equator with us.

In pairs we have created our own Jungle dioramas. We have really enjoyed creating these and demonstrated fantastic team work.

Langley's world book day was enjoyed by all and we had some very impressive costumes in Pegasus Class. 😊

This term we were very pleased to have such a big speaking role in the Easter church service. The children practised their lines and delivered them beautifully.

Looking forward to next term, our topic is called Dinosaur Roar. We will be learning about the different dinosaurs and making our own fact books. If you have any dinosaur books, fiction or non fiction, please feel free to bring them in so we can share them.

Our PE day will continue to be Wednesday, so please can children come into school in their PE kits. We will also have library on a Thursday - please bring books in to be changed.

In field and forest we have made scones, made a vegetable garden and planted lettuce and potatoes, compared the UK to the Jungle and looked for colours in nature. We will continue this next term. We are very grateful to all the adult helpers. Next term we will be making pizza. 😊 A big big thank you to the helpers we would not be able to run our sessions without you.

Thank you for all your support this term and we look forward to working with you in term 5. Have a relaxing and enjoyable Easter break.

The Pegasus Team
