

Year 1 and Year 2 Class Newsletter

What a busy term it has been with lots of fun learning and the Nativity play. We really enjoyed our roles in the Nativity and performed our lines beautifully. We worked hard to learn the songs and the BSL signs that accompanied them. We hope you enjoyed our performances ☺

Our topic this term has been Guy Fawkes and the Gunpowder Plot. We really enjoyed an activity called conscience ally where we had to give Guy Fawkes reasons for and against being involved in the plot.

In our Science we have been identifying plants and wild flowers. We have designed our own gardens and thought carefully about the types of plants that we would have in them and why.

Looking forward to next term, our PE days will continue to be Tuesday and Friday. Please can children come into school in their PE kits. Our topic work will be looking at Arctic Adventures and will be focusing on explorers.

Thank you for all your support this term and we look forward to working with you in term 3. Have a relaxing and enjoyable Christmas Break and we will see you in the new year!
