

Pegasus Class Newsletter End of Term 3

Dear Parents and Carers,

It's hard to believe that another term has already again whizzed by! All children have been deeply engaged in our learning about China, and those of you who were lucky enough to join us for our Sharing Assembly, certainly were able to see the fruits of all their endeavours.

It was wonderful to witness their independence when performing: we were able to hear dragon poems and listen to the willow pattern story, see many different art creations involving sewing, drawing and

painting, watch inspirational drumming, a fantastic shadow play and a wonderful dragon dance. It was lovely to see the children so committed to their learning which culminated in this shared assembly.

In science we were able to build on our experience of the shadow play and learn about light and shadow, differentiating between sources of light and reflections.

Pegasus Class was also very excited to finally receive a letter back from Quentin Blake. We had nearly given up to receive a reply!

Dear Johanna and the children of Pegasus Class,

Thank you for sending your letters along with your drawings of your favourite characters! I am very sorry for not replying to you sooner.

Quentin turned 93 last month. Regrettably, at this age he is unable to respond to many personal letters he receives. However, he asked me to reply to your letters and to tell you that he very much liked the drawings! He wishes you all well.

Keep on reading and drawing!

With warmest wishes,

Elena

Office assistant to Quentin Blake

We are looking forward to a well-deserved break and to learn many new things about the Iron Age in the next term.

Wishing you a relaxing time with your families,

The Pegasus Team: Mrs Nathanson, Mrs Harris, Mrs Horrocks, Mrs Whittock and Mrs Ford
