Phoenix Class Newsletter

End of Term 1

Dear Parents and Carers,

Our Phoenix children have been working incredibly hard in all areas of their learning this term. We are extremely proud of their enthusiasm, determination, and positive attitude towards every challenge they have faced.

This term, our topic has been The Tudors. The children have enjoyed learning about Tudor life, including their homes, food and drink, toys and games, and the lives of Tudor children. They have developed their historical knowledge and asked thoughtful questions to deepen their understanding of this fascinating period in history.

One of the highlights of the term was our exciting visit to Sudeley Castle. The children thoroughly enjoyed exploring the castle grounds and learning about its important Tudor connections. They demonstrated excellent behaviour throughout the visit and impressed staff with their curiosity and engagement. The trip brought our classroom learning to life, in particular Catherine Parr who was the last Henry's wives to survive. She lived and died at Sudeley castle.

In Design and Technology, the children became Tudor architects! Using recycled cereal boxes and a variety of craft materials, they

designed and created their own Tudor houses. They carefully considered the distinctive features of Tudor buildings and worked creatively to produce fantastic models.

As the weather turns colder, please provide your child with a coat, gloves and hat that are all named, please. Our PE days will be Tuesday and Friday.

Thank you for your continued support. We look forward to another exciting term of learning!
