

Langley Fitzurse

Church of England Primary School

Middle Common, Kington Langley, Wiltshire SN15 5NN

Executive Headteacher: Mrs Karen Winterburn

Head of School: Mr James Osler

Dear Parents and Carers,

Well this term really has been jam-packed. Chameleon class have learnt a great deal about prehistoric life. Our topic on the Stone Age was a huge success. The activities that we have completed include: oil pastel and charcoal cave paintings, which are now displayed in a public area outside our classroom for everyone to enjoy, water colour cave paintings, showing a contrast in media and technique, crafted grooved ware pottery and a detailed information booklet.

In P.E. this term we have been doing gymnastics. The children learnt how to do forwards and backwards rolls safely, how to do one, two and three point balances for up to four seconds and how to perform tuck, pencil and star jumps from platforms of varying heights. They then worked collaboratively with a partner or in a group, putting a routine of several elements together and performing it. They really enjoyed working with Hercules class and being teachers.

Next term our topic will be The Anglo Saxons. In science we will be studying Earth and Space. Please do send in any interesting artefacts or books relating to these topics if you are happy for me to share them with the class.

Swimming will be on Tuesdays – please send in your child with a swimming hat, costume and towel in a bag.

Have a lovely half term and we are looking forward to welcoming the children back on Monday 3rd November. Our Art trip will be on Wednesday 5th November.

Best Wishes from the Chameleon Team – Miss Ford and Mrs Pym.
