

# Langley Fitzurse

## Church of England Primary School

Middle Common, Kington Langley, Wiltshire SN15 5NN

Executive Headteacher: Mrs Karen Winterburn

Head of School: Mr James Osler

Dear Parents and Carers,

This has been a fantastic term for the children in Chameleon Class. We have been working hard on our times tables and, with regular practice in and out of school, have made good progress with quick recall and related division facts. This is essential for application when solving problems in maths lessons. Well done everyone!

One highlight this term was our class trip to Nature in Art in Gloucester. We took part in two workshops, one making collages linked to our Science topic of Space or to Nature and the other making flowers or butterflies from Fantasy Film Paint and wire. This technique was new to us all. This special paint solidifies when it is in the air and so can be used to create a stained glass effect between shapes made from gardening wire.

We were lucky enough to go on a whole school trip to the Bristol Science Museum We The Curious. The children enjoyed exploring the interactive exhibits, planting coriander seeds and testing their tastebuds in the 'kitchen'. We took part in an Earth and Space workshop and learnt about the phases of the moon and all of the planets in our solar system.

In English lessons this term we have been working towards a whole school writing display. The stimulus for this was the book Peace on Earth. The children studied this text, written in the form of a poem about peace and then wrote their own Peace poems. We included the use of repetition for effect, alliteration and rhyme.

Next term our topic will be The Vikings. In Science we will be studying the topic Healthy Bodies. Please do send in any interesting artefacts or books relating to these topics if you are happy for me to share them with the class. P.E. will be on Mondays and Wednesdays.

Have a lovely Christmas and we are looking forward to welcoming the children back on Tuesday 6<sup>th</sup> January 2026.

Best Wishes from the Chameleon Team – Miss Ford and Mrs Pym.
