### Chameleon Class Newsletter End of Term 4

Dear Parents and Carers,

This term has been a short one, but no less jam-packed. We have been working on being 'Agents of Change'. This has been a really fun, worthwhile project that Chameleon Class have thoroughly enjoyed. At the start of the academic year, we discussed some of the things that we were excited about in year 6. The children were keen to meet their 'buddies' in Hercules Class. So, we started by spending some time in the Autumn Term reading with buddies to get to know them. Then, to become 'Agents of Change', the year 6 children came up with the idea to improve relationships between different parts of our school community, particularly between the youngest and oldest members of the school. They decided that they would like to work more with Hercules. Once our Autumn Term Gymnastics unit was complete, the year 6 children invited their buddies to come into the hall. They sat on mats in small groups and taught the younger children some age-appropriate gymnastics movements. This helped to bond relationships and trust and was a lot of fun. Following this, year 6 decided to make games to play with their buddies. We designed a market research format which they used to discover the sort of games the younger children would like to play. Then, they made the games in pairs or small groups, making sure to use their knowledge from their market research and making them age appropriate.

Next term our topic will be geography based, so if you have any books about the geography of the UK and about Chippenham, these would be greatly appreciated in class to share with the children.

Have a lovely Easter and we are looking forward to welcoming the children back on Monday 13<sup>th</sup> April 2026.

Best Wishes from the Chameleon Team – Miss Ford and Mrs Pym.

Amaze ● Excite ● Inspire
