Chameleon Class Newsletter End of Term 6

Dear Parents and Carers,

It doesn't seem possible that this wonderful year is drawing to a close. I would like to thank all of the children in Chameleon Class for their hard work and dedication this term. Their focus on putting on an amazing Summer Production, especially in the recent heat waves, has been admirable.

Congratulations to all the children, from speaking parts, singing, back stage, technical support, art work and ensemble, the performance was fantastic.

Following our trip to Gardners Farm in Hullavington, we undertook some project work to be entered into their competition. The title of our project was, "The Journey from Cow to Plate." The children researched information about dairy farms in addition to what they had learnt on the day and then focussed on how the milk that is produced is used to manufacture products for sale. Linked to our Design and Technology topic this term of, "Great British Dishes", we made our own cheese, flavoured with rosemary and sea salt, homemade butter, a Victoria Sponge Cake and cupcakes using fresh cream. We displayed all of our research and our cream tea in the classroom (and we may have enjoyed a tiny cupcake along the way!).

Wishing you all a lovely Summer holiday.

To Chameleon children – we wish you all the very best success in the start of your new journey. Be confident, be inquisitive and be brave.

Best Wishes from the Chameleon Team – Miss Ford and Mrs Pym.
