

Information about our School

"Amaze, Excite, Inspire"

Langley Fitzurse Church of England Primary School is located in the centre of the attractive village of Kington Langley, two miles north of Chippenham. The village is close to Junction 17 of the M4, which gives it easy access to Bath, Bristol and London. The school attracts children from the village and the surrounding areas.

The school currently has 100 children taught in four mixed age classes. It is housed in a lovely Victorian building with a modern extension, and the children also regularly use the village playing fields for a range of activities. Staff work closely together to ensure they provide high quality learning experiences for the children. We were rated as 'good' by Ofsted in December 2018.

As a church school we believe that our Christian values underpin and enhance the learning environment, making Langley Fitzurse a place where everyone can enjoy and achieve, celebrate and give thanks for their gifts and talents.

We enjoy strong relationships with the village community and actively encourage parents and villagers to come in to school to help run the library, support learning and school trips etc. We also have an active PTA who raise additional funds and organise fun activities for the children and the community

Our governing body is strong and very actively involved in leading the school and in supporting the Executive Headteacher and the school team effectively. In November 2020, we federated with Stanton St Quintin Primary School to ensure a bright future for both organisations. Mrs Winterburn is Executive Headteacher for both schools, and Mr Osler is our Head of School.

'You are rightly proud of the caring and supportive atmosphere at Langley Fitzurse. Pupils can articulate, and clearly respond well to, the school's mission to, 'amaze, excite and inspire'. Ofsted 2018
