Parking

Thank you for parking more considerately—it is much appreciated! Please can you make sure however that you are not parking on the corner of Ashes Lane and Middle Common as this impedes other road users—thank you.

Menu Change!

As roast beef hasn't gone down too well with the children, we are swapping next week's Wednesday roast to gammon. If you have already completed your child's dinner orders for next week (and we love you for it!) and want to change their meal on Wednesday in light of this, please ring or email Mrs Howe. Apologies for the inconvenience.

RSHE Questionnaire

Thank you very much for responding to this questionnaire—you have come up with some thought provoking questions! If you have not yet replied, there is still time to do so.

The link to the virtual meeting at 6pm on Wednesday 19 May will be sent out next week

Church School News—Values in Action

'I can do all things through Christ who strengthens me.' Philippians 4:13

Term 5: Perseverance

Week 4: Perseverance in school

Perseverance involves patience, determination and staying power. We keep trying our hardest even when things are difficult. The famous scientist Albert Einstein said, "It's not that I'm so smart, it's just that I stay with problems longer."

What helps you to keep trying with your learning in school,

- What equipment can you use to help you?
- Who can you ask for help if you get confused?
- If one way doesn't work, can you think of another?

Courage does not always roar. Sometimes it is the quiet voice at the end of the day saying 'I will try again tomorrow'
