## Church School News—Values in Action

*'I can do all things through Christ who strengthens me.'* **Philippians 4:13**

### Term 5: Perseverance

Week 5: Encouraging Ourselves and Each Other

Perseverance is the quality that allows someone to continue trying to do something even though it is difficult. Christians believe that the Holy Spirit helps them to keep going when things are tough.

Some questions to reflect upon.

- What helps you not to give up?
- Who helps you to keep going?
- How can you encourage others to keep trying? Is there someone you can encourage today?

Here is a prayer you might like to use: Lord Jesus, help us to use our eyes to notice, use our ears to listen, use our voice to encourage, and use our hands to help when we see our family and friends finding it hard to persevere. Thank you. Amen.

'The Lord gives strength to those who are tired. He gives more power to those who are weak.'

Isaiah 40 v 29

We are now in the final week of our delicious cake raffle. It's been a very successful event and the standard of cakes has been extremely high. Quality cakes is something Langley Fitz is very proud of - I think a Langley Fitz bake off might be on the cards !

Congratulations to all of this term's winners and a huge thank you to everyone that has taken part - especially our star bakers !

A few weeks ago I mentioned a plant sale would happen this term in honour of our annual May-fair.

**The Plant Sale will be held after school this Friday, 21st May.**

There will be a large selections of plants, and Sarah Sudbury will be on hand to help guide you when buying. We will be happy to take ParentPay payments. If you have any plants that you would like to donate to the sale, please bring them in on Friday morning and leave them by the gate, being mindful to not obstruct the children's entrances :)

We are looking into printing Langley Fitz bags, and before we source a printing company we would like to check whether there are any parents in school that own or are part of a printing company already. We would like to support local businesses where possible.

If you do own a printing company or know someone that does and would like to support the school and get some advertising for yourselves too, please get in touch! My email address is [PTAchair@lfssq.wilts.sch.uk](mailto:PTAchair@lfssq.wilts.sch.uk)—thank you!

A little reminder of a few initiatives that are always running to help raise funds for the PTA:

- **Our 50/50 club.** This costs just £2 a month (or £24 annually) and you could win 50% of that month's membership takings. Please ask Mrs Howe for more details.
- **Amazonsmile and Easy Fundraising** are great little ways to earn money for the school. If you make purchases via one of these websites/apps and select Langley Fitzurse PTA as your chosen charity, we get a percentage for every purchase you make.
- **Match Giving Scheme** - as we begin to come out of restrictions and start holding events again the match giving scheme can be very profitable. If you are part of a company that supports this scheme and are able to volunteer at an event, your company would then match the total we raised. In previous years we've seen a stint of washing up raise us an extra £600 so it's certainly worth asking if your work supports this!
- **Bag2School**—our next collection of unwanted good quality clothes is on **Tuesday 22 June**. Bags will be sent home at the end of term in time for a good clear out over the half term holiday!

Look out for a flyer about Lego key rings—a perfect Father's Day gift!

I hope everyone is finding their feet as we move into a new phase of normality.

Best wishes
