### Newsletter 30

Tuesday 22nd June 2021

"Amaze, Excite, Inspire"

#### Sports Day

Weather permitting, we will be holding Sports Day on Friday 2nd July. This will take place on the Kington Langley Playing Fields, starting at approx. 9.30am. The updated guidance from last week is as follows:

- \* Sports Days may go ahead, in line with the rest of the system of controls.
- \* Pupils must remain in their bubbles.
- \* Sports equipment should be regularly cleaned throughout the event.
- \* Spectators must adhere to current social distancing requirements.
- \* Where events take place outdoors, spectators can gather in separate groups of up to 30 – the legal gathering limit.
- \* Multiple groups of 30 are permitted.

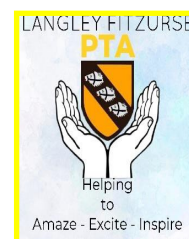

This means that we can invite parents from all classes to our Sports Day. Parents must remain in 'class parent zones' and maintain social distancing. In order to accommodate numbers, we ask that you book a space within your child's class's 'parent zone'. Initially we will offer 1 space to each family, but if there are spare places, we will open this up to additional family members on a first come first served basis next week. Watch out for a Parent-Mail form later this week.

Children will need to wear sports kit on Friday 2nd June., **plus a tee shirt that is predominantly in their house colour—red, green, blue or yellow.**

They will also need a water bottle, sun hat and have applied sun cream prior to coming to school.

#### In this week's Newsletter

- Sports Day
- PTA News
- Parental Permission for Celebration Week
- Values in Action
- Cut Engine Cut Pollution
- Wrap Around Care Questionnaire

A big thank you to everyone who brought in a Bag2School bag today. We raised £146.10!

A separate letter and PTA questionnaire will be sent out to parents later this week. Please complete this very short survey. Many thanks!

## Parental Permission for Celebration Week—Key Stage 2 children

We would be very grateful if you could complete the parental permission form we sent you to allow us to record next week's music and dance celebrations and share them with the school community.

Parents of children in Year 5/6 will also need to give permission to record and share Chameleon's end of year production. Thank you!

Please note that there will be no Drum assembly next week, as Mr de Berker feels that his pupils need a little more time to work on their solos. We're looking forward to seeing this in term 1.

## Church School News—Values in Action

***Let us help each other to love others and do good'*** Hebrews 10:24

### **Term 6: Service**

This term the school value we will be focusing on is 'SERVICE'.

### **Week 3: Service at home**

Christians believe that serving God means serving others. Think about these questions with your family:

- How do we encourage one another to 'discover' our special gifts and to use them for the common good at home and in our local community?
- How do we show gratitude for those who serve or help us?

Living a life of service is about keeping your eyes open and looking for ways to make others smile. Draw a large smiley snail. Can you fill in the spirals on the snail's shell with ways in which as a family you serve each other this week?

Please don't leave your engine running whilst waiting to drop off or pick up kids outside the school- it is not great for the kids and parents who are waiting outside school nor for the people who live near the school. Let's do our bit for the environment!

### **Wrap Around Care Questionnaire**

We will sending out an online questionnaire later this week to ascertain the demand for Early Morning Club and After School Club places for the new academic year, as we are looking to increase our capacity. We would be grateful if you could reply promptly—thank you!
