

Pegasus Class

Up, up and away
Y1/2, Autumn 1
2021/22

This is an overview of some of the subject matter that we will be learning about this term.

English:

Look up! By Nathan Bryon
The Great Balloon Hullabaloo by Peter Bentley
Man on the moon by Simon Bartram
Whatever next by Jill Murphy
We will use these books to provide opportunity for children to practise writing lists and labels, create story maps, write diaries and a space adventure story. Children will be encouraged to re-read and check their work.
We also will write some Space Poetry.

Humanities

(Geography/History):

History: We will learn about Neil Armstrong and the Apollo Moon landing, as well as other astronauts such as Mae Jamison, Tim Peakes, Jeff Bezos and Richard Branson
In October we will have a space dome in school to deepen our learning.

Maths:

Y1: Consolidate numbers and number bonds, initially to 10, then to 20
Additions and Subtractions within 10 (20)
Y2: numbers to 100, counting, place value, comparing, number bonds and number patterns
Addition and Subtraction within 100
2, 5 and 10 times table

Art:

In the dark of night – we will paint in the style of van Gogh's 'Starry Night'

DT:

Create a space ship/rocket

Music/Singing:

'The friendship song', following Charanga Music scheme

Science:

We will recap and broaden our knowledge about the human body and its senses

RE:

Believing (Understanding Christianity)

RHE:

Living in the wider world - rules, rights and responsibilities (SCARF)

Computing:

Internet Safety
Programming on screen and using floor turtles
Using tablets to create, manipulate and retrieve both full photographs and close ups of plants.

This term's value:

Friendship

PE:

Athletics – throwing and jumping
Multiskills
