KW and RP to send any changes to KB to finalise the document before sharing more widely.</p> <p>RP shared his reflection on the school after 1 year as a parent, and as he considered becoming a governor: he sees the school vision lived out – staff and pupils are active in their caring, with compassion, encouragement; there is a sense of community & family; a calm expectation around values & behaviour. The love being shown is agape - sacrificial agape love. A summary to go up on the school website?</p> <p>School Vision – pupils, staff and stakeholders are very happy with the vision and values. We will continue to develop this, particularly making it appropriate to our local context.</p>	<p>KW</p> <p>KW/RP</p> <p>KW</p>

This supports our school vision and the flourishing of staff and pupils.</p> <p>Becoming Trauma Informed - KW shared information about <i>Becoming Trauma Informed</i> – a national yearlong network supported by Church of England Foundation for Educational Leadership. COVID highlighted the need for schools to be informed about the sorts of trauma that create barriers both to accessing learning and to wider flourishing in life. The vision is for church schools to lead the way in:</p> <ul style="list-style-type: none"> • <i>demonstrating wisdom by upskilling staff with the evidence-informed knowledge to support these children as best they can</i> • <i>building communities that collaborate to ensure flourishing for all – particularly the most vulnerable</i> • <i>seeing the innate dignity in each and every child thus putting their needs first</i> • <i>becoming beacons of hope so that ‘bad experiences need not have the last word’</i> <p>KW shared that the emotional and developmental impact of COVID on KS1 means reassessing the priorities this term to focus on building resilience and readiness to learn, strengthening self-esteem. Play therapy is also available.</p>
