

# Pegasus Class

In the jungle  
Y1/2, Spring 1  
2021/22

This is an overview of some of the subject matter that we will be learning about this term.

## English:

We will explore the rainforest and its 'inhabitants' and use this information to learn about report writing.

The information we have learned will help us to write our own rainforest adventure which we hope to video (Computing), having created our own setting (DT).

We will use stories such as 'Slowly, slowly said the sloth, Pongo and We are roaming in the rainforest to inspire our writing.

## Maths:

**Y1:** Different ways to add and subtract to 40  
Shapes and Patterns  
Length and Heights  
Multiplication and Division

**Y2:**  
Multiplication and division of 2, 5 and 10  
Length, Mass, Temperature, Picture graphs  
Word problems  
Shapes

## Science:

**Animals and their habitat** – identify a variety of common animals (fish, amphibians, reptiles, birds and mammals), the differences between carnivores, herbivores and omnivores, their habitats and foodchains

## RE:

Believing – what do some people believe about God?

## RHE:

SCARF – Feeling left out and Getting on with others as well as looking after our environment (linked to rainforest) and First Aid for our Jungle Adventures

## Computing:

Word processing skills, such as typing and editing, saving work, undoing, formatting pictures and text, choosing fonts.

We will also create a video of our own rainforest story.

## This term's value:

Truthfulness

## Humanities (Geography):

Map skills, the continents, directions of the compass, the equator and the Northern and Southern Hemisphere, rainforests and their different layers

## Art/ DT:

How to draw animals of the rainforest, colour in chosen medium and use for display  
Create a rainforest in a shoebox using variety of materials

## Music/Singing:

The sounds of the jungle – Body and tuned persuasions

## PE:

Gymnastics – Stretching, curling and arching (Grassroots)  
Dance – Animals in the jungle
