Notices

School Lunches

We have noticed that there is an increasing number of children who are not enjoying the choice of their hot dinner, and therefore there has become a lot of wasted food.

It's very important that the children have a substantial meal at lunchtime to give them the energy for the rest of the school day and fuel their learning.

When ordering school dinners for your child, please involve them in this process so that they are aware of what they are being served each day and are keen to eat it.

School Nurse Workshop

This will focus on Behaviour and Well-being. Please do join us and our school nurse Tsara from 9am in Cherry Hall for a cup of tea/coffee and a biscuit for a Q+A session which will hopefully help to answer any concerns.

Early Morning / After School Club

Our wraparound care has grown in demand over the last couple of terms. You will be pleased to hear that we have successfully managed to increase the number of spaces at these sessions to 30. If you require a space this term which was previously unavailable, please do contact the school office as there may now be space. These spaces will be increased on ParentMail from Term 4 for parents to book.
