KS2 Egyptian Day—Thursday 13th February

On Thursday 13th February, Phoenix and Chameleon will have an Egyptian-themed day

The children are encouraged to dress up: this could just be wearing a piece of jewellery or if they have appropriate costumes from the KS2 show, they can wear these.

The children will enjoy some fun Egyptian-themed activities throughout the day. Phoenix parents are invited to come into school at 3.15pm to see the artwork that they have created.

PTA Valentines Bake Sale—Friday 14th February

Our PTA will be holding a valentines themed bake sale after school on Friday. They would be extremely grateful for any donations of baked goods for this event which can be passed onto the school office on Friday morning.

Wiltshire Council Primary School parents travel survey

You will have received a form regarding current and preferred travel arrangements to and from school. Please complete these forms by Friday 28th February as it will help the school to update our travel plans and identify and needs.

Unwanted Used Candles

If you have any Christingle candles you would like to dispose of, these can be brought into the school office. Mrs Bloomer will collect and send these off to be recycled and donated to various different causes across the world.

FaCL (Family and Community Learning) Courses—please see attached for information

We are running **Understanding School Anxiety: Early Signs of Emotional Based School Avoidance** online on **Friday 7 March** 10am – 12pm.

This course is for parents and carers whose child is full time at school but where attendance is causing emotional issues or suffering a dip. The course explores emotionally based school avoidance, techniques to support attendance, and what schools can do to support attendance. There is opportunity for parents to share experiences, discuss strategies, and ask questions of an educational psychologist. Understanding School Anxiety is not helpful for parents of children who are not currently managing to attend school, but we can signpost to alternative courses or more appropriate sources of support.

We also have Helping My Child With Anxiety and Worry and Supporting My Teen With Wellbeing coming up in March. These courses can be attended alongside Understanding School Anxiety to form a helpful toolbox for parents.

All our courses are free and take place in small groups in a safe, friendly space with our approachable, highly experienced tutors. Participants are encouraged to share experiences and ideas and participate in discussions. Our courses can boost confidence and leave learners feeling empowered.

A phone call or an email can initiate a booking. New learners need to complete an enrolment form and attend an online induction ([Enrolment - Work Wiltshire](#)). Booking closes one week before the start of a course.
