Actions from 4th March 2025:

- **Feedback – Pupil Voice** – Grace has been monitoring this. Staff team to decide whether this is an effective way to gather evidence of impact.

ACTION: Staff team to decide on how to evidence impact of CW

- **Improving Collective Worship** – feedback included learning some new songs. Mrs Winterburn has chosen one for VE80 that pupils will be learning. Pupils would like to be involved more in leading and taking part in worship.

ACTION: Staff team and visitors to be encouraged to include pupils more.

Community Orchard

Mrs Winterburn left for a meeting with the Parish Council to discuss how the school can support the Community Orchard on the local playing fields.

Values prayers

We spent some time thinking about words we could include about the values of Friendship, Respect and Truthfulness, and Mrs Bloomer will shape these into prayers and send to Mr Osler.

ACTION: Mrs Bloomer to collate ideas and send to school

Reflection Table for Classrooms in T6 – Service

Pupils wanted to help create an activity for the class reflection tables. We thought about helping hands and the school Bible verse, 'Let us help each other to love others and do good.' We spent time cutting out hands. Members will set an example and complete one each to display.

Each class will have a stand to add hands too – pupils will be invited to write 5 ways in which they are/can help/serve others and do good. Over time our trees will grow with loving actions.

ACTION: Mrs Bloomer to collect together items for display in T6.

T6 – Leading Collective Worship

We will be leading worship in T6 (date to be confirmed). We took time to think about the value of service – what will our message be? Pupils suggested:

- Bible story - The Good Samaritan to be acted out; Jesus the servant king washing feet
- Songs – The Servant King, Give me oil in my lamp, when I needed a neighbour, cross over the road
- Prayer – Service, as created last term
*Dear God,
Thank you that you are the Servant King, showing us how to help others.*

We are sorry for the times when we are selfish, thinking only about ourselves rather than serving others.

Please help us to be more like you, to love others and be kind and helpful to everyone. Amen

Look at including Agents of Change in the CW.

ACTION: Mrs Bloomer to agree a date with school and send through a script

T6 – last Worship Council

We will make time to practise for the CW. We hope to make a reflection table for T1 Friendship. There will be party food!

Actions to complete

- 1) What does spirituality mean to us? Developing our ideas about spiritual growth
- 2) Agents for change – launch in CW T6 and oversee
