Safeguarding Update for volunteer helpers (date to be re-confirmed) -

We are very proud of the opportunities that we provide for our children throughout their school life at Langley Fitzurse including school trips and events in school! To allow some of these to go ahead we sometimes need to ask for support from you, the parents!

There are changes to the statutory safeguarding guidance this year. Any support in school, 3 out of a 30 day period is considered as Regulated Activity. As such, volunteers will need to complete KCSiE safeguarding training and hold an enhanced DBS. For volunteers supporting in one-off trip's, attendance at Langley's Safeguarding Updates is sufficient.

We will be contacting existing volunteers very shortly to discuss these changes.

However, if you think that you would like to help with any upcoming events for this academic year, please do let Ms Cox know so that we can invite you to complete the appropriate safeguarding training. The date for the Langley Safeguarding Training for Volunteers will be shared in due course.
